**At behest of SPACT, the Organising Committee** is privileged to invite you to **GUJPEDICON 2026 - the 52nd Annual Conference of Academy of Pediatrics, Gujarat**, to be held at a tranquil & exquisite venue, **The Treat Resort at Silvassa on 18th, 19th and 20th December, 2026**. This prestigious academic gathering promises to be a memorable blend of education, interaction, and rejuvenation.

The conference venue promises to offer world-class convention facilities amidst a picturesque setting. Its proximity to the sea nearby and historical landmarks makes it an ideal destination for academic deliberations coupled with relaxation. The resort has plenty on the platter to offer for spouse & kids as well - premium leisure facilities including indoor & outdoor swimming pools, gym, tennis courts, children's play area and game room. Adding to the excitement is the renowned **Treat Adventure Park**, a haven for thrill-seekers with over 30 exhilarating activities designed to ignite your adrenaline. Signature attractions include **bungee jumping, the pendulum mega swing, zip-lining, and sky dining offering a breath taking 360° panoramic view**

A meticulously designed scientific program awaits you, featuring a rich mix of office practice updates, emergency pediatrics, panel discussions, case-based learning and interactive sessions. Renowned national faculties and subject experts will share their insights, experiences and latest evidence-based practices, ensuring a stimulating academic feast for all delegates.

A series of focussed high impact workshops are planned on **18th December, 2026**. The workshops are aimed at strengthening clinical competence and facilitating practical application in routine pediatric office practice. Comprehensive details of the workshop will be announced soon.

Beyond academics, a riveting social and cultural program including a vibrant gala banquet, has been planned to foster camaraderie. The opportunity to mingle with old friends, cherishing memories doesn't come often! The resort's serene ambiance offers a perfect backdrop for lasting friendships, making this conference an enriching experience both professionally and personally.
