Namaste

It is a matter of pride and privilege to host the prestigious West Zone Pedicon & Gujneoon of the Indian Academy of Pediatrics on 14th-16th August at Narayani Heights, Near Airport, Ahmedabad-Gandhinagar Road, Bhat, Gujarat.

We feel extremely glad to welcome everyone to this much-awaited conference in Ahmedabad. Making its name among the most beautiful places in the world, Ahmedabad is a city rich in heritage and vibrant culture. Known for its historic charm and dynamic urban spirit, it is a frequently visited destination in the western Indian state of Gujarat. Surrounded by remarkable architecture, the serene Sabarmati River, and a legacy of cultural excellence, the city stands as a perfect blend of tradition and modernity. The historic town, once a significant center during India's freedom movement, continues to reflect its glorious past while embracing progress.

Over the last decades, IAP members have made tremendous contributions in research, teaching, and practice, resulting in impacts in many sectors of our pediatric society. At this conference, let us celebrate what we, as a professional community, have achieved. Additionally, our future vision is to create even greater value across the globe. This conference will enable us to share our thoughts and exchange ideas on how to chart our journey forward to reach new heights. We have an exciting program at this conference that will allow members to reflect upon and celebrate our past accomplishments, renew friendships, extend our networks, and jointly explore current and future research directions. We hope that along with academic learning, you will also have fun at this very special conference.

West Zone Pedicon & Gujneoon is going to unite pediatricians, neonatologists, and other specialists in child development to exchange their thoughts and information, enabling the exchange of advances in both science and practice within the research and clinical community. We feel that we are not alone in our predicament and this gives us the strength to persevere. Do join us from 14th-16th August at Narayani Heights, Near Airport, Ahmedabad-Gandhinagar Road, Bhat, Gujarat.
